Dear Friends of The Woody Foundation,

The Woody Foundation can't wait to celebrate the 12th Annual Golf Classic at Top Golf in Doral. The event is to be held Thursday April 20, 2023, which benefits both The Woody Foundation & The Buoniconti Fund to Cure Paralysis. As so many donors enjoyed the afternoon at Top Golf, we'll be heading back for a second time where we'll have the best food, great drinks & the most fun of any charity tournament in South Florida. Best part about Top Golf, you don't have to be a pro golfer to join in on the celebration.

Please Save the Date & sign up as a sponsor now so that we can maximize our marketing efforts on behalf of your company. Should you have any questions, please feel free to contact Lucy or me. We thank you for your continued support of the Woody Golf Classic.

For those not familiar with the two charities, you can check us out online at www.woodyfoundation.org and www.thebuonicontifund.com.

The Woody Foundation is a 501c(3) not for profit organization formed in 2011 to raise funds for the recovery of persons with spinal cord injuries & limited hand use. The namesake of The Foundation – James "Woody" Beckham – suffered his spinal cord injury making a rugby tackle in January 2011. His family & friends have bonded together to support Woody by making donations to The Woody Foundation which helps others with similar injuries. TeamTWF has donated over \$1 million to like-minded organizations of which over \$260,000 has been given directly to research at The Miami Project.

The Miami Project to Cure Paralysis, at the University of Miami Miller School of Medicine, is considered the premier investigative research program for spinal cord and brain injuries. In 1985, Barth Green, M.D. and NFL Hall of Fame linebacker Nick Buoniconti helped found The Miami Project to Cure Paralysis after Nick's son, Marc, sustained a spinal cord injury during a college football game. The Buoniconti Fund to Cure Paralysis acts as the fundraising arm for The Miami Project.
